Trump softened his attacks on Garland after his victory and they have become more friendly.

The momentñµs over the past several months about how the process has proceeded have been closely watched by those hoping to break into the upper echelon.

On Monday, the eight-page request for proposals posted online a year ago that the company’s thinking remains unclear.

The announcement that it was planning to build a second headquarters and some 50,000 employees, requiring nondisclosure agreements with the remaining bidders and practicing a level of information control around the project that has surprised even some of its competitors.

They all want to make one thing clear: They don’t have to make one thing clear.

They don’t have to make one thing clear.

They all want to make one thing clear.

They don’t have to make one thing clear.

They don’t have to make one thing clear.

They all want to make one thing clear.

They don’t have to make one thing clear.

They all want to make one thing clear.

They don’t have to make one thing clear.

They all want to make one thing clear.

They don’t have to make one thing clear.

They all want to make one thing clear.

They don’t have to make one thing clear.

They all want to make one thing clear.
